WONDER

2019 REAR TWIN BED

- ◆ North America's first exterior pass-through garage storage on a Ford Transit-based Class C. Large enough to house two full-size bicycles and much more.
- ◆ Two full-size hanging wardrobes located underneath the twin beds.
- ◆ Natural Rift cabinetry with FENIX® NTM upper cabinet doors, offering a modern, yet warm feel.
- ◆ Optional integrated side-mount exterior table, perfect for dining and entertaining. When not in use, the table can be folded up and neatly stored in the garage.
- ◆ For pet owners, a cavity beneath the passenger-side twin bed can be converted into an innovative and comfortable "dog house".
- ◆ Centralized touch screen display controls everything from lighting, heating and cooling, tank and battery level monitoring and more.
- ◆ Two Smart LED TVs, a Bluetooth® soundbar and Blu-ray player.
- ◆ Separate bedroom area in the rear of the coach, a feature not often found in a sub-25' motorhome.
- ◆ Comfortable 32" x 76" twin beds can also be slid together, forming a single bed wider than a residential Queen bed.
- ◆ Large Corian® counter extension flips down to create the largest countertop found in a Leisure Travel Van.
- ◆ Innovative dinette table features two folding leaves, providing extra dining space when needed, and sits on top of a removable swivel mount, which can be transferred to an additional mount located in the bedroom area, creating a secondary dinette-like setting.
